

**SIMPLEQUOTE**

## **How to create your MNsure account**

A step-by-step account setup guide

## Start at the MNSure website

Use the official MNSure enrollment site to access or create your account

**<https://enroll.mnsure.org/hix/>**

### **Open the link in your browser**

You will be taken to the MNSure account sign-in page.

# Choose the account option

Begin from the MNsure sign-in page

1

## Select “Log in to existing account”

From the MNsure sign-in page, choose the option to log in to an existing account.

2

## Continue to the login screen

If you already have a MNsure account, enter your existing login information.

### Connecting Minnesotans to health coverage.

MNsure is the only place that you can apply for financial help to lower the cost of your monthly premiums and out-of-pocket costs for health insurance.

#### LET'S GET STARTED

#### Browse for health & dental plans

Compare plans and find out how much insurance may cost.

#### Register with access code

Use your access code to register for a new account.

#### Log in to existing account

If you already have an account, log in here.

If you do not have an account, select “Register Now” to create one.

# Register your MNsure account

Select “Register Now” and enter your personal information

1

## Select “Register Now”

Choose the registration link on the login screen.

2

## Enter your personal information

Provide the requested information, including your name, email address, phone number, and other account details.

Use information that matches your official records so MNsure can verify your identity.

## Login
