Login

[Forgot password?](#)

Trying to get covered? [Register Now](#)

You will be taken to the password-reset page.

Enter your email address

Use the same email address associated with your MNSure account

1

Enter your email address

Type the email address you use to sign in to MNSure.

2

Select “Continue”

MNSure will use this information to locate your account.

Reset your password

Email Address

Continue

Double-check the email address before selecting Continue.

Check your email

MNsure will email instructions if an account exists

1

Open the message from MNsure

Check your inbox and spam or junk folder for the password-reset email.

2

Follow the reset link

Use the link in the email to create a new password and finish the reset process.

Reset your password

You should know

In order to securely verify your identity and prevent identity theft, we use both security questions, and your email to verify your identity.

Your information

If an account exists, you'll receive an email from us.
Please check your email and follow the instructions.

For your security, only use the reset link sent to your email address.

Your password has been reset.

Follow the instructions in the MNSure email to create your new password and log in to your account.

If you cannot complete the process, contact MNSure for assistance:

1-651-539-2099 or 1-855-366-7873

Thank you for watching!
