Provider Search

At BG, we feel that it is important to empower you with the tools to confirm that your provider (doctor) will be in network with the plan that you select.

**Not all provider
searches are the same.**

MNsure

We understand that you entered your doctor information in MNsure when looking at plan options. It has been found that this is not always accurate. Follow along on how to confirm that your doctor will be in network.

You are now at the carrier's provider search.

The screenshot shows the Medica provider search dashboard. At the top left is the Medica logo. To its right is a search icon and the word "Dashboard". Further right, in the top right corner, are links for "English" and "Menu". Below these, a red box highlights the "LOCATION" dropdown menu, which currently shows "Denver, CO". To the right of the location dropdown is a "PLAN" dropdown menu showing "Medica Applause". An arrow points from the text "Before starting, be sure to update the location." to the location dropdown. The main content area has a dark blue background with the text "Hi, How can we help you today?". Below this is a grid of four search options: "Providers by name", "Providers by specialty", "Facilities by name", and "Facilities by type". Below these are two buttons: "Search all" and "Advanced search". At the bottom, there are four links: "PHARMACY LOCATOR Find a pharmacy", "PROVIDERS BY SPECIALTY Primary Care Physicians", "FACILITIES BY TYPE Convenience Care", and "DURABLE MEDICAL EQUIPMENT Locate Equipment".

Can't find your provider?

- Do you have the correct spelling? If you are not sure, you can always look them up on the facilities website.
- Are you searching for a Nurse Practitioner or Physician's Assistant? They may not always show up in the carrier's provider search. Know that you may need to call the facility to confirm that they take your health plan.
- Repeat the search for each provider.

Thank you
